You're all finished inserting hours for the week. Once returning to the homepage, you will see "Pending Approval" with a (1) next to it.

All timecards must be INSERTED by Mondays at 8AM.

Any hours inserted after the payroll deadline might result in a check processing delay until the following Thursday. Please contact Payroll@ContemporaryStaffing.com with timecard questions, profile changes, or any additional questions.

PLEASE NOTE: The first-time inserting hours will need to be done using a DESKTOP.

After initial setup hours may be inserted using your mobile device.
